inspired by the world of home automation and automotive. Sea trials upon request (see picture).

- Blue Ice will unveil the renewed version of the historic 38 V. The restyling enhanced the comfort on board maintaining high-level performances. Sea trials upon request.
- Blu Martin will show for the first time the new Sea Top 13.90, best-seller of the Shipyard that was completely renewed, giving it a more contemporary and sleek design and enhancing the liveability. Sea trials upon request.
- Evo Yachts will present in Cannes the revolutionary 13-metres Evo 43, characterised by its sportive and yet elegant design and by hi-tech features, but the most attractive characteristic is its convertible beach area, which is able to almost double the space on board. Sea trials upon request.
- Cantieri Estensi, which is currently relaunching the brand, will preview two brand new models: 535 Maine and 545 GS. The 535 Maine is a 17-metres yacht designed to offer comfort and relax, promoting conviviality and the pleasure of being together. The 545 GS marks the comeback of the shipyard to the Lobster boats; it has entirely customisable interiors. Sea trials upon request.
- CMC Marine, among the leaders on the market in the industry of yacht stabilizing and control, will take part this year for the first time in the Cannes Yachting Festival with its innovative stabilizing systems.
- Zuccon International Project: the designers of the Zuccon studio will take part in the boat show and will be available for interviews to talk about their latest projects. Three models designed by the Studio will be presented for the first time: Ferretti Yachts 450, Ferretti Yachts 850 and Navetta 37 by Custom Line.
